

### WATER WHEELS

The regular Town Council Meeting was held on January 13, 2015. Mr. Chris Johnson with Carr, Riggs & Ingram presented the 2013/2014 audit report. Mr. Johnson advised the Town consistently maintains good, clean records. However, it is necessary to actively seek ways to increase revenue in order to improve the stability of the Town. A Citizens Advisory Task Force (CATF) was established consisting of five residents from the Town. The CATF assists in developing and conducting neighborhood revitalization and any other programs that may be beneficial to the Town using CDBG funds.

The regular Town Council Meeting was held on February 10, 2015. A Fair Housing Public Information Meeting and the 1<sup>st</sup> Public Hearing for the CDBG Program was held.

The regular Town Council Meeting was held on March 10, 2015. The Council approved supporting Project Graduation again this school year. Each high school in Jackson County will receive \$100.00 for this activity.
