

The Old Water Pump

NEWS SPLASH

As a result of the Town's recent elections, held on June 4, 2018, Council Member Mamie Vann was re-elected for another four (4) year term. We welcome a new Council Member Jacky Ditty who will also serve a four (4) year term. Please join us in congratulating them.

WATER WHEELS

The Town of Greenwood has started several projects around town. The installation of the radio read meters funded by our CDBG Grant has begun. There will be intermittent loss of water for approximately 10-15 minutes when L. & K. Construction is changing out your meter. No resident will be without water after business hours. Please be patient. This project will be completed in approximately 30 days.

The cleanup at Well #2, and the maintenance yard has begun as well.

The Town of Greenwood will again be holding our Annual July 4th Celebration at the Greenwood Town Park. This year it will be held on Wednesday, July 4th from 9:00 to 12:00 noon.

The children will meet behind Town Hall at 8:00 am to decorate their bicycles, carts or themselves and join us in a parade to the park. This year we are also holding our Emergency Preparedness Event on July 4th as well. Come join us for some great fun and some important information on what to do in case of ANY emergency. Children will be given free "Bug Out Bags" to color and fill with all the supplies they will need to be prepared for any event. **FREE hot dogs and watermelon.** We look forward to seeing you there and making this a great event. If you would like to volunteer for this or any of the events, please contact us at Town Hall. We would love to have you join us.

WATER CONSERVATION

Mulching in the yard and garden...

The benefit of mulching minimizes the evaporation of water from the soil surface, reducing the irrigation need by around 50%. It helps stabilize soil moisture levels, which improves vegetable quality and encourages the beneficial activity of soil organisms.

SAFETY

School is out and so are our children ~ please help keep them safe ☺

During the **extreme heat of summer**, drink plenty of fluids and keep a check on the elderly and your pets. It's also hurricane season ~ **have supplies and a plan**. Be prepared for the worst and pray for the best!

PET CORNER

Healthier pets! No unwanted pets! Each cat can produce seven litters a year: Two to eight in a litter. Ten years of life equals 560 cats. A father cat in ten years can produce about 70,000 off spring. Feral cats will leave unwanted and diseased kittens at your back door. Can your budget cope with too many unwanted cats & kittens? There are about 75 unwanted cats and kittens right now up for adoption in Jackson County. The best way to prevent this is to spay & neuter your cats and dogs.

TIDBITS

Please visit www.townofgreenwood.org for information regarding our Town. Help us help you. If you see an issue, please contact Town Hall @ 850-594-1216 and make us aware.

GREETINGS

We welcome these people to our town!

David Lee Beckwith III
Lorrie & Gregg Jones
Gilbert Byrd III
John Hennessy
Shatedria Thomas

SYMPATHY

Our heartfelt sympathy is extended to the family of:

Harold Davis
Linda Osborne
Madouna Loving

FAREWELL

These people have left our fair town.

Brook & Kenneth Basford

THE MAYOR'S CORNER

As your Mayor, I will be available on Tuesday's and Thursday's from 1:00PM to 3:00PM to hear your suggestions and/or comments regarding "**Our Town**". For your convenience you may also call for an appointment at (850) 594-4056.

TRASH FACILITY

If you are **physically able, please assist** the Garbage Attendant to avoid delays for other customers. His job description is to assist, not unload all of your trash.

The burn pit will be open on Saturdays only for limbs, leaves and yard trash only. **NOTHING ELSE!**

REMINDER

Water and garbage bills are mailed at the end of each month and are due by the 10th day of the following month. A 10% penalty will be applied on the 15th of the month. **If the total bill, including late charges, is not paid by the 20th of the month your services will be turned-off/suspended (in the morning) on the 21st of the current month.** If your water/garbage is turned-off/suspended, the entire bill including late charges and a \$40.00 reconnect fee must be paid in order to reactivate your account.

From us to you,
So Long Until Next Time,

Alicia Corder
Town Clerk

Beth Beutler
Deputy Clerk

Phyllis Bowman
Mayor
