

The Old Water Pump

November 30, 2017

WATER WHEELS

Well another year is almost over. We, the Council, Mayor and Staff hope it was a joyous and prosperous year for all. We look forward to serving you again in the upcoming year.

The Greenwood branch of the Jackson County Public Library is now open at Town Hall. The hours of operation are Monday – Thursday 12:00pm – 4:30pm. Please by come and support YOUR local library.

On October 14, 2017 the Town held the 2nd Annual Harvest Day Festival at the Greenwood Park. It was a wonderful day for all. There were free pumpkins and carving kits for all the children. Smokey the Bear and the Division of Forestry were there to teach us how to prevent forest fires, as well as the Deputies from the Jackson County Sheriff's Dept. Many vendors were set up selling handcrafted gifts, fresh fall produce, local honey, homemade jellies and jams, and plants for your home and garden.

The Town of Greenwood's CDBG Grant is in progress and will begin in the near future. This grant will be used to replace approximately 250 water service laterals and install new radio read meters at these locations.

The FL Dept of Economic Opportunity encourages communities to educate their residents regarding Fair Housing. We have enclosed a flyer that provides information regarding Fair Housing and resources that are available. You can visit our website @ www.townofgreenwood.org and click on the Fair Housing/EEO/Section 504 link for more information.
