NEW BILLING SYSTEM AND WATER SYSTEM IMPROVEMENTS

As part of the Town's CDBG grant for the new auto-read meters the utility billing software has been upgraded and provides additional levels of service. You will notice a change in the look of your monthly billing postcard. We are looking to possibly add services for paperless billing, online bill pay, and web portal access. Included with this newsletter is a brief survey. The purpose of this survey is to update customer account information as well as get your input on services that may come available in the future. If you have any questions please feel free to give us a call at Town Hall.

The Town's new water well project is underway. Funding for the project has been provided through USDA-Rural Development and is scheduled for completion in May 2020.

TOWN HALL CLOSINGS

November 28 & 29: Thanksgiving
December 25 & 26: Christmas
January 1: New Year
January 20: Martin Luther King

ROLL-OFF CONTAINER

The Roll-Off container is available for the disposal of light household items and this service is **ONLY** available on the **1st and 3rd Saturday of each month**. Attendant will need to inspect items prior to disposal and provide assistance as needed.

Because of size of bulk, some items cannot be placed in the roll-off container. If contractors or companies are working at your home, require them to include trash removal as part of the job. If accommodations cannot be made with the contractor, then hire a contractor to dispose of these items or take it to a landfill for disposal.

YARD TRASH

Yard Trash – grass clippings, leaves, tree limbs and pine straw and shrub trimmings. Yard trash can be taken to the garbage facility on **Tuesdays** and the **2nd and 4th Saturday of each month ONLY**. In order to meet State of Florida requirements, the Town of Greenwood requires the separation of yard trash from residential garbage, as yard trash cannot be placed into lined landfills.

REMINDER

Water and garbage bills are mailed at the end of each month and are due by the 10th day of the following month. A 10% late fee will be applied on all overdue amounts if not paid by the 15th. **If the total bill, including late fees, is not paid by the 20th of the month your services will be turned-off/suspended after 9:00 a.m. on the 21st.** If your water/garbage is turned-off/suspended, the entire bill including late charges and a \$40.00 reconnect fee must be paid in order to reactivate your account. If you have any questions regarding your billing please contact Town Hall as soon as possible.
