## NEWS SPLASH

The Town of Greenwood will be holding our Annual Harvest Day Festival on Saturday, October 13, 2018 from 10:00 am to 2:00 pm. This year it will coincide with a community-wide church revival starting at 10:00 am and lasting all day. They request that you bring your own chairs. Come join us and get your **FREE pumpkin and carving kit** and browse all the great hand crafted items from our local vendors as well as live music for your enjoyment. We truly look forward to seeing you all there and making this event even better than last year.

## WATER WHEELS

The installation of the new radio read meters funded by our CDBG Grant is almost complete. There will be intermittent loss of water for approximately 10-15 minutes while changing out your meter. If you experience any problems with your water service or you notice any standing water please contact Town Hall as soon as possible at 850-594-1216.

The FL Dept of Economic Opportunity encourages communities to educate their residents regarding Fair Housing. We have enclosed a flyer that provides information regarding Fair Housing and resources that are available. You can visit our website @ [www.townofgreenwood.org](http://www.townofgreenwood.org) and click on the Fair Housing/EEO/Section 504 link for more information.

The Greenwood Branch of the Jackson County Library has activities for all residents. Hooks & Needles on Wednesdays from 1:00 pm – 3:00 pm. Come learn or teach knitting, crocheting or any other craft you might be skilled at. There is Storytime on Thursdays at 2:00 pm for the little ones.

Game Day is twice a month. You can also join the Book Club and Genealogy class held once a month. Please call librarian Ann Bryan at 850-594-4961 for the current dates and times of those events. Come and help make our library something special.

## TIDBITS

Please visit [www.townofgreenwood.org](http://www.townofgreenwood.org) for information regarding our Town. Help us help you. If you see an issue, please contact Town Hall @ 850-594-1216 and make us aware of it.

## PET CORNER

**Healthier pets! No unwanted pets!** Each cat can produce seven litters a year: Two to eight in a litter. Ten years of life equals 560 cats. Feral cats will leave unwanted and diseased kittens at your back door. Can your budget cope with too many unwanted cats & kittens? The best way to prevent this is to spay & neuter your cats and dogs. All animals must be secured at all times. Please be considerate of your neighbors.

## **SAFETY**

School is back in session so please **watch out for our children**. Please help keep them safe 😊

**Its hurricane season ~ have supplies and a plan.**  
Be prepared for the worst and pray for the best!

## **WATER CONSERVATION**

Group plants with the same watering needs together to avoid overwatering some while under watering others.

Leave lawn clippings on your grass, this cools the ground and holds in moisture.

Aerate your lawn periodically. Holes every six inches will allow water to reach the roots, rather than run off the surface.
